

# SAINT ANGELA SCHOOL

## ALTERNATIVE LEARNING PLAN ASSIGNMENTS

Week of March 23-27, 2020

Teacher Ms.Doyle

Grade: Kindergarten

*The Alternative Learning Plan Assignments listed below will facilitate continuous uninterrupted learning with assignments based on the academic standards promulgated by the State of Illinois and the Archdiocese of Chicago. Scholars are expected to complete the assignments as described, and submit them when they return to school. That date has yet to be determined. Each Sunday around 5:00 PM, beginning on March 15 until school resumes, your scholar's Alternative Learning Plan Assignments will be posted on our school website. Parents, thank you in advance for your kind and generous assistance in extending learning into the home during this very difficult and trying time. Be safe and God bless!*

**Religion:** Sing [1, 2, 3 Jesus is Alive](#) and [Jesus is My Best Friend](#) (on YouTube). Talk to Jesus, thanking Him for your family and all you have, and ask Him to watch over you and keep everyone safe.

**Math:** We will practice subtraction this week. With subtraction we are taking away from the number we began with, so we are counting down or backwards. (Worksheets will be emailed).

Continue playing board games.

Continue playing games on Everyday Math site.

### English/Language Arts:

Listen and watch a read aloud of [The Gingerbread Baby](#) by Jan Brett on YouTube at least twice on separate days. After the second time listening complete a sequencing (putting events in order) worksheet. (To be emailed). You can refer back to the story while completing worksheet.

Sight words: **help, find, that, they, are, here, have**

Each day - Write each word 5 times, and write 3 sentences using at least 3 sight words. (Use different words from day before.)

### Science:

Create an account with [Scholastic Magazine](#) and login to watch videos.

Notice how things are changing as the month of March goes by – do you see plants growing? Are the trees where you live changing? Are the days more like winter days – lion days – or spring days - lamb days? Keep a record by making tally marks.

Teacher Comments:

Continue playing online games on [ABCYA.com](#) , [turtlediary](#) and [mathgames.com](#)

Bless me, O Lord with good health, and heal all the troubles of my mind, spirit, and body.
