

SAINT ANGELA SCHOOL

ALTERNATIVE LEARNING PLAN ASSIGNMENTS

Week of March 30- April 3, 2020

Teacher Mr. Anderson

Grade 8th

The Alternative Learning Plan Assignments listed below will facilitate continuous uninterrupted learning with assignments based on the academic standards promulgated by the State of Illinois and the Archdiocese of Chicago. Scholars are expected to complete the assignments as described, and submit them when they return to school. That date has yet to be determined. Each Sunday around 5:00 PM, beginning on March 15 until school resumes, your scholar's Alternative Learning Plan Assignments will be posted on our school website. Parents, thank you in advance for your kind and generous assistance in extending learning into the home during this very difficult and trying time. Be safe and God bless!

Science

Monday:

Pick a topic: Mercury, Venus, Earth, Mars, Jupiter, Saturn, Uranus, Neptune, Stars, Sun, Comet, Asteroid, Black Hole, Galaxy, Big Bang Theory, Constellation

Find 3 sources for the topic you pick. All sources need to be at least 1-2 pages.
