

SAINT ANGELA SCHOOL

ALTERNATIVE LEARNING PLAN ASSIGNMENTS

Week of March 30- April 3, 2020

Teacher _____ Ms. Lucy _____

Grade _____ P-K3 _____

Math: 1. Visit the www.icanteachmychild.com, go to *Activities- Math Activities-Counting and number Learning activities* and do at least 2 free activities of your choice. Take the picture of what the child is doing and sent it to my e-mail.

lkryvokulsky@saintangela.org

2. Visit the following site, download the worksheet, trace number 4 and color the pictures. The child writes the name. If you can't print the worksheet, do another activity from the website mentioned in the assignment 1.

<https://www.worksheetfun.com/letter-and-numbers/fun-numbertracing-4.pdf>

3. Draw four rectangles and color them purple.

4. The rectangle song- <https://youtu.be/rKsWp6GkUC0>

5. Number pairs song - <https://youtu.be/ch7Kzl3n2Zk>

English/Language Arts: 1. Listen to the following stories. Play the story for the first time for enjoyment. Next, play the second time and discuss the plot and the action of the main characters.

"Henny Penny"- <https://youtu.be/5DtB2f-YIbA>

"Planting a Rainbow"- https://youtu.be/r_WhqKfIWSs

"The Carrot Seed"- https://youtu.be/t_bKqYUc-2M

"Growing Vegetable soup"- <https://youtu.be/LRDynkCgAj4>

"When the monkeys came back"- <https://youtu.be/rXaBj7N8ocM>

2. Find and clip the 5 pictures from the old magazines/catalogs that begin with the letter "V". Glue them on the standard paper and let your child write the first name. Talk about the sound the letter "V" makes.

3. Write one row of capital "V" and one row of lowercase "v" on the ruled paper. Write your name.

4. Download the "V/v" worksheet and let your child trace the letters and color the picture.

Write the name on the worksheet. If you can't print, skip that assignment.

5. Visit the www.icanteachmychild.com, go to *Activities- Literacy activities-Teaching the alphabet* and do at least 2 activities of your choice.

Science: 1. Ask question: "Who lives in trees?" If you can, go outside and look for insects and other animals in the trees. Examine the trees for evidence of animal/bird/insect inhabitants.

2. Discuss how to plant seeds and what tools you need.

Animals Living on trees - <https://youtu.be/yAGA-3uEKmk>

Grow your own plants - <https://youtu.be/Lly75dEbXE8>

3. Draw the picture how to plant a seed. Tell the story to your parents and let them write down the child's dictation on the separate sheet of paper. The child writes the first and possibly the last name.

Art: 1. Use the playdough and make capital/lowercase "v/v"

2. Gather some seeds (beans, corn, rice, peas to name a few) and let the child make a seed mosaic by first drawing a simple line with a pencil. Then, apply glue to the pencil lines and add seeds.

3. Draw the egg shape on the construction paper for your child and ask to decorate it with what is available in your house (art materials like craft foam pieces, sequins, tissue paper squares, buttons)
