

St. Angela School Memorial Bricks

Help us build a beautiful memorial garden and establish a tribute to the history of this great community. The plans for the garden will grow as the summer progresses. We invite you to honor a classmate, a loved one, a teacher or coach, or commemorate your own days of glory in the St. Angela gym by purchasing an engraved brick to be planted forever on our campus. Is this a gift? We will send you a certificate for presentation!

If you are interested in making a larger contribution to the development of our newly acquired green space (a bench or a tree or a grove of trees) or for more information about bricks, please contact our Advancement Office: lfredrick@saintangela.org.

4 by 8 inch brick: \$125 • three lines • twenty characters per line

8 by 8 inch brick: \$250 • six lines • twenty characters per line

A "character" is a letter, a number, a space, a comma, etc.

Please use the table on the reverse to lay out your brick message.

Please note: No engraved bricks will be planted before fall when the demolition of the buildings on our campus is complete.
