## ALTERNATIVE LEARNING PLAN ASSIGNMENTS

Week of May 18- May 22, 2020

Teacher \_\_\_Mrs. Cakuls\_\_\_\_\_ Grade \_\_\_3\_\_\_\_\_

*The Alternative Learning Plan Assignments listed below will facilitate continuous uninterrupted learning with assignments based on the academic standards promulgated by the State of Illinois and the Archdiocese of Chicago. Scholars are expected to complete the assignments as described, and submit them when they return to school. That date has yet to be determined. Each Sunday around 5:00 PM, beginning on March 15 until school resumes, your scholar's Alternative Learning Plan Assignments will be posted on our school website. Parents, thank you in advance for your kind and generous assistance in extending learning into the home during this very difficult and trying time. Be safe and God bless!*

Religion: We will be continuing to work on how small changes can make a big difference. If your child has not read session 24 in their book please have them and complete the worksheet on classkick called We Want Some Good News.

Math: We will be starting a new Unit this week and our focus will be on Fractions. We will zoom on Monday the 18<sup>th</sup> and Wednesday the 20<sup>th</sup> for Math. Lesson 7-1 is on Liquid Volume and Lesson 7-2 is on Exploring Arrays, Volume and Equal Shares. There will be a video and worksheets on classkick.

English/Language Arts: **Reading:** We will be starting a new story this week called Life on the Ice, this is an informational Text Story about traveling through the Arctic Circle. They will need to read pages 164-165 for their vocabulary words, pages 166-167 for our skills this week (Main Ideas and Details) and the strategy (Infer and Predict), the main story starts on page 168-185, make sure they read the captions to help understand the photographs. They will also need to read pages 186-187 to help them analyze the text. We will go over all of this in our Zoom Class on Monday. **Grammar:** We will be focusing on Adverbs this week, adverbs that tell how, where, and when. **Phonics/Spelling:** We will be decoding compound words this week; they should remember that these are one word made up of two smaller words. All assignments for Reading/Grammar/Phonics-Spelling can be found on classkick.

Science: Students watched a video on Foss =Webb last week about Water and Density, this week they will need to read "Water: Hot and Cold" in their books on pages 21-23 and complete the worksheets on classkick.

Social Studies: We will be continuing Chapter 5 in our book this week is Lesson 2: A River Community. They will need to read pages 150-155 in their Social Studies book and complete worksheets pg. 55 & 56 on classkick.

Bless me, O Lord with good health, and heal all the troubles of my mind, spirit, and body.
