

SAINT ANGELA SCHOOL
ALTERNATIVE LEARNING PLAN ASSIGNMENTS

Week of April 20 -25, 2020

Teacher: Sr. Perpetua Chime, OP.

Grade: PreK 4

Religion:

- Begin the day with the Lord's Prayer.
- Then say with devotion, "Jesus I trust in you", St. Angela, pray for us.
- Sing and move to a good worship song such as "I'm so glad that Jesus loves me."
- Talk about Jesus's love for us that led to his crucifixion on the cross.

Math:

- Comparing long and short steps.
- Compare lengths of your feet.
- Comparing length of items you have at home, such as pencil/marker, shoes, or even silverwares using the comparative words; longer than or shorter than.
- Write numbers 0 to 20.

English/Language Arts:

- **Read Aloud-**

Oscar and the cricket by Geoff Waring <http://www.watchkin.com>

Forces Make Things Move by Kimberly Brubaker Bradley <http://www.watchkin.com>

- **Phonological Awareness:**

Poem titled **Hands** (*Read this poem slowly and have your child identify words with the same ending sound, also have him/her demonstrate as you read*).

Hands

Hands up high, hands down **low**. Hands behind you. Where'd they **go**?

Snap your fingers. Touch your **nose**. Now your **chin**. And then your **toes**.

Clap your hands. **Then** give a **clap**. Put hands together in your **lap**.

(Low/go, nose/toes, chin/then, clap/lap)

- **Letters-** letter sounds review/sight words

Bless me, O Lord with good health, and heal all the troubles of my mind, spirit, and body.

(Use the daily flash cards PowerPoint I shared via email a while ago)

Social Studies

- Identifying cause and effect- Roll a ball across the floor. Question; how did I make the ball move? (pushed it to make it roll) What other ways can we make the ball move? (Bounce the ball off a wall)

Science

Measuring length by counting steps.

- Roll a ball along the floor and wait for it to stop, Count each foot step aloud as you walk the ball's path to where it stopped.
- Have your child do the same, then compare which is longer.

Play Simon says exercise-

Recall from the story that Oscar and Cricket both exercise. Oscar chases the ball and uses muscles to pull a large branch. Cricket uses leg muscles to jump. Exercise is fun and healthy! Now play Simon says; jump, jump fast, jump slow, run in place, walk, etc.

Question: What other exercise keeps us healthy.

Music

Here we go Looby Loo <http://www.watchkin.com>

Learn and laugh together....I say, you say game.

Help your child practice saying words that end with the same sound by playing a game in which you take turns thinking of words that have the same ending sound. Have your child begin by saying a word such as **pig**, and then you say a word with the same ending sound, such as **dig**. Alternate roles.

Assignment on <http://www.ixl.com>

Math- Question I, **Size** number 1 to 6.

Language Arts- Question D. **Rhyming** Number 1 to 2

Teacher Comments: Please do complete every assignment.

Zoom meeting Monday at 9:00. Check your email for login information.

God bless you all.

Bless me, O Lord with good health, and heal all the troubles of my mind, spirit, and body.
